**CELEBRATING 80 A WEEK EARLY.**

Lillian and Joan I want to say...  
Both of you went out of your way...

The evening was swell...  
Because you planned everything so well.

Everything you had arranged with care...  
Including the balloons tied to my chair.

Of everything you did think...  
White tablecloth and napkins colored pink

And a few more weeks I will be able...  
Enjoy in my home the pink tulips that decorated the table.

And then... the cake... could not have... been better.  
The fresh fruit and whipped cream taste I will remember forever

Glad you were all able...  
To join me at my table.

Lillian ..Joan.. Marge.. Rosalie.. Anneke and Linda ...  
Sorry we missed Nancy and Regina.

Believe me...turning 80 with friends like this...  
Is pure bliss!

**Marie Jose Temmink**

**Celebrating turning 80 ...again.**

**Thank you Anneke... for this treat ...  
Taking me to this wonderful place to eat.**

**Guillermo...  
On El Paseo.**

**The margaritas were very fine...  
Had not had one for along time.**

**Our right hand moved repetitious...  
Because the warm chips salsa and guacamole were delicious.**

**My fajita's and your rib dish ...  
For what more could one wish**

**When we arrived we could choose our table...  
When we left no longer anyone was able**

**The waiting line was out the door...  
But I understand what they came for.**

**The ambiance...service and food are great...  
Certainly worth a long wait.**

**Anneke you treated me to the best...  
Thank you for being your guest.**

80

Who.... ?....Me. .?  
That cannot be

I was always told...  
80 is old.

But that is not what it is ...  
Now I experience this

I feel well  
Actually I feel swell.

No need to feel sorrow  
Being called an 80 year old as of tomorrow

Longevity...  
Does not run in my family.

My mother and only sister died at 81  
Cannot imagine that next year I could also be gone

I am thankful for the years I have had  
And will focus on how many more I can add

My agenda is full of things to still do  
And none of them I want to undue

My drivers license is good for another five years  
And I plan to shift gears...

As needed to stay healthy and alive...  
Till I turn 85.

At that time I will reevaluate...  
To set a new future date.

### 3rd Annual Oscarlottas

The OSCARlottas recognize Carlotta Residents and Associates for their many contributions to life at The Carlotta throughout the year. Award recipients receive a "Carl", the Carlotta's version of an Oscar during an awards ceremony rivaling the Academy Awards. The evening was spectacular in every way. We have heard nothing but praise from everyone who participated and/or partook in the festivities. The food was superb and the service impeccable! Great Autos of Yesteryear made quite an impression with the 1973 Lincoln Continental Limousine and 1993 Rolls Royce Silver Spur for the Red Carpet arrivals.

#### The recipients of this year's Carls

Best Actor: Jay Sondheim  
Best Actress: Faye Kreske  
Best Supporting Actor: Brian Gray

**80 AT SEA**

Life is measured by memories...Especially of pleasant activities.  
We do our part...And another cruise today we start.

We are happy you all could be free...  
To celebrate the 80th birthday of Ans and me.

It was planned to be...  
A party for 80 x 3

But Liesbeth had to decline...  
According to her daughter she is not feeling that fine

But then we heard there is one more...  
And one soon to be eighty years old walking this ships floor.

They are my friends Jacky...  
And Kathy

What could be better...  
Then celebrating 80 x 4 together.

I will list all in the party by stateroom number...  
Sorry if I make a blunder.

But I expect you will not wait...  
To set the record straight.

So introduce yourself ...get to know all...  
And have a ball.

Here is a peek...  
Were we all live for the next week.

## Learning to relax

**How does one learn to relax?  
And be at ease to the max?**

**It starts from the minute we awake...  
That we know how and when to take a brake.**

**We need to take a deep breath...  
And do not keep repeating what we just said...**

**When we meet people we start by creating less noise...  
And lower our voice.**

**We should not talk more and more  
Because what WE say we have heard before.**

**But if we seal our lips and open our ears...  
We might learn something new about ones life or careers.**

**Let's not run ahead of the crowd...  
It will prevent us from having to scream aloud...**

**When we just might...  
Not see anyone we know within sight.**

**Just give it times and we will see...  
The elevators will get us were we need to be.**

**Running back and forth...  
Or action of any sort...**

**Spoils the relaxed cruising atmosphere...  
And has us forget why we are here.**

**The above is written from observation...  
Mainly of the "jittery" retired generation...**

**Not mend to offend anyone...  
Just a reminder let's take a deep breath and walk... instead of run'**

**Marie Jose Temmink**

**To Credit/Debit Card Holds:** To ensure that funds are available, holds are placed on your credit or debit card throughout the vacation period. Your bank does not actually release any money to us. At the end of the cruise, your onboard spend will be charged in one transaction and the holds will then be released. The length of time for which these holds remain on your credit or debit account varies from bank to bank. Most banks release funds within 5 to 7 business days; however when using a debit card, pre-authorization holds may remain on your account for longer; therefore, we suggest using a credit card where possible.
